LIBRARY

.....

The Friends of the Library asks for your support!

The Friends of the Library plays a vital role in funding for Minster's library. Great programming at the library is funded by the Friends, including preschool story time, after school activities, family nights and adult programs. The organization also helps purchase best-selling books and DVDs for the library, large print books, and toys and furniture for library patron use.

Please take a moment to consider what the library means to you and your children (or grandchildren). We are lucky to have access to the best in books, movies and resources. Our community should be proud of the beautiful historic building and our amazing library staff.

How can you support the library and the Friends' ongoing quest to give back to the community? Begin by filling out the form below and contributing to your membership at whatever level of giving you choose. Your membership entitles you to activities, games and fun for the whole family!

We want to hear from you!
